

The First Step Beginners AA Group holds a meeting at Trinity UMC in Downtown Durham, NC. We are unaffiliated with, but intentionally located near The Open Table Ministry's Free Store and Resource Weekly Event. This was purposely done, as we hope to also be welcoming and accessible to the population that frequents the Open Table, a population that is often experiencing Housing Insecurity and Homelessness.

The First Step Beginners AA Group will discuss the first four steps with each topic being anchored in official AA literature.
